Best ever Inspection Report for Francis Holland, Regent's Park

Francis Holland was reported as 'Excellent' in all key areas of school life: quality of teaching; pupils' achievements and learning; curricular and extra-curricular provision; personal development and pastoral care and quality of leadership and management.

The Inspection Report by the Independent Schools Inspectorate (ISI) was published in February 2014 and follows excellent academic results last summer with "over 80% of grades at A* and A at GCSE and almost two thirds A* and A at A-level."

The Inspection Report noted that "Pupils throughout the school are extremely keen and enthusiastic

about their studies, both inside and outside the classroom."

Francis Holland has a strong reputation for being 'academic and kind' and the Report commented on the "first-class relationships between staff and pupils".

Mrs Vivienne Durham, Headmistress, said, "This Inspection Report could hardly be better. It is a testament to the outstanding skill and commitment of all Francis Holland's staff and the pupils' enthusiasm for learning."
