

High grades richly deserved says head

ADVERTISEMENT FEATURE

Students at Francis Holland School, Regent's Park celebrated a fantastic crop of top GCSE and IGCSE results.

Just over 42 per cent of grades were A* grades and 21pc of grades from the new system came in at a 9. Twenty four students achieved 10 or more A or A* grades or the equivalent 7, 8 or 9.

Meanwhile, sixth formers at Francis Holland School celebrated another year of outstanding A level results, with a record number of A* grades.

Nearly a quarter of results were graded at A* and 55 per cent graded at A* or A. Eighteen students achieved straight A* or A grades with 5 students gaining the top grade in all their subjects.

Girls are going on to some of the most successful universities in the world to study a range of subjects. Amy Hobson, who achieved 4 A* grades in the three sciences and maths, will be studying natural sciences at St Catherine's College, Cambridge. head girl, Tabitha Dickson (3 A* grades) will be reading theology at Corpus Christi College,

Just over 42 per cent of GCSE grades at **Francis Holland School** were A*, while 21 per cent of the new scores came in at the maximum score of 9

Cambridge and Helena McBurney (2 A* grades) will read English at Newnham College, Cambridge. In addition, Andie MacArthur will be studying art at the prestigious Central St Martins College of Art and Design.

Mr Fillingham, the headmaster, praised both the pupils and the staff: "Francis Holland School is going from strength to strength. These excellent examination results are richly deserved and they come as a result of consistent hard-work. I am delighted that our A-level candidates have been so successful again this year."
