HER POTENTIAL.**

CHANGING THE LIVES OF GIFTED GIRLS FROM ALL BACKGROUNDS WITH THE WILL TO SUCCEED.

At Francis Holland, Regent's Park, education can serve as a transformative tool for gifted girls to fully realise their potential within our exceptional educational environment, irrespective of financial circumstance.

Access to the School's outstanding teaching, facilities and supportive community provides girls with the skills, knowledge and confidence needed to excel in all fields. As they flourish academically and personally, these young girls emerge as leaders of tomorrow, driven by their experiences and the values instilled within them at Francis Holland, Regent's Park.

Each and every gift extends this outstanding education to deserving girls, and in so doing changes lives for the better.

HER GIFT

Each girl selected for our bursary programme possesses a unique gift; a spark of brilliance, a passion for learning, a drive to succeed.

Yet, despite her undeniable potential, she faces barriers that could obscure her talents. With your support, we can ensure that she not only realises her full potential, but also emerges as a confident young woman equipped with the skills needed to thrive in our fast-changing world.

As a school that looks to the future, we recognise the importance of continuing to advance all-round excellence while ensuring diversity and inclusivity. These girls contribute enormously to the classroom, not only in terms of their talent, but also in terms of their outlook and approach.

Their impact is not limited to the classroom; they act as role models in their communities, cultivating a sense of ambition and aspiration.

Together, we can empower these exceptional individuals to realise their gifts and to, in turn, inspire others to do the same. Your gift will enable us to nurture potential and shape a brighter future, helping gifted young girls to achieve their ambitions. It is now our aim to offer a greater number of talented young girls from disadvantaged backgrounds the transformational education that will ensure their unique potential is fulfilled.

THE GIFT OF EDUCATION

As one of London's leading independent schools for girls, Francis Holland, Regent's Park, prioritises excellence in both educational standards and pastoral care.

Through a transformational award, talented, ambitious and deserving young girls are offered the invaluable opportunity to grow, both academically and personally.

Francis Holland, Regent's Park, ensures a seamless transition for bursary pupils through a comprehensive support system tailored to their needs. This includes personalised academic guidance, emotional support

and a nurturing environment where individuals feel valued and listened to. We extend support beyond tuition fees to ensure that our girls can fully embrace the opportunities provided by our school.

Through access to our excellent education, resources and opportunities, these gifted girls are offered the chance to pursue their aspirations and nurture their talents.

FOUNDATION SCHOLARS

At the core of our bursary programme is the belief that all children, regardless of background, should be able to reach their potential through education.

Here at Francis Holland, we are committed to widening access to the outstanding opportunities that our school has to offer for those who might significantly benefit from the experience but may never have been able to consider it.

This commitment is reflected in our pledge to significantly increase the number of transformational awards offered to deserving girls. These awards provide girls with significant support, well over and beyond the cost of fees, throughout their time at the School and are specifically for those families with limited means.

Girls funded in this way are known as Francis Holland Foundation Scholars, named after the School's Founder, who was Chaplain to Queen Victoria and King Edward VII and a visionary in philanthropy and education.

The recognition of Foundation Scholars in this way highlights the contribution these girls make to the School more widely. Broadening access to an outstanding education is at the very heart of the School's bursary initiative and one which continues Francis Holland's legacy.

THE GIFT CAMPAIGN

In order to realise our ambitious philanthropic vision, we have launched the Gift Campaign, marking the most audacious fundraising endeavour in the School's history.

Our aim is to establish a £5M endowment fund over the course of the next ten years. Raising £500k per annum will enable us to add an additional full-fees award, year on year, to our existing provision. These new awards will run in perpetuity. By 2034, our aspiration is to have welcomed 10 additional full-fees Foundation Scholars to the School.

If you would like to stay updated with how our campaign is progressing, or if you would like to help the campaign by making a donation, please do contact our Development Director.

YOUR GIFT

hergift.org.uk

Achieving this goal hinges entirely on the generosity of the Francis Holland, Regent's Park, community.

It is only through your kindness and generosity that we have been able to expand and update our physical buildings and resources, which have been instrumental in driving the School's continual progress. Now, we appeal for your support to facilitate the profound transformation of young lives.

We currently have no endowment from which to fund bursaries and fee income alone is not enough to fund our ambitious plans. With your support, however, we hope to build an endowment fund that will ensure we can increase the number of transformational awards offered in perpetuity.

"I always took full advantage of the huge range of opportunities that Francis Holland had to offer, and gained valuable skills both in and out of the classroom. My time at the School shaped my interests, and I was given a level of support I wouldn't have received elsewhere."

Nula, Master's student at Kings College London and former bursary student

HOW YOU CAN HELP

We very much hope that you will support the Gift Campaign and make a donation, however large or small, to help us achieve our charitable goals and transform the lives of these deserving girls.

There are many ways to give, either by a one-off donation or through regular giving.

PATRONS & BENEFACTORS

Donations at a Patron level range from the cost of one girl's annual fee to fully funding the cost of their school career. Benefactors contribute £5,000 annually to the Gift Campaign.

OTHER OPTIONS

These include joining the Canon Francis Holland Legacy Society, making a one-off or corporate donation or joining The 1878 Circle.

Our Development Office would be delighted to discuss the most appropriate ways for you to make a donation.

Please contact Tom Robertson, Development Director, at development@fhs-nw1.org.uk for further details.

Thank you in advance for your support.

TAX EFFICIENT GIVING

For UK tax payers, giving with Gift Aid enables us to increase the value of your gift by up to 25%, at no additional cost to you.

DONOR	GIFT	GIFT AID ADDED	GROSS VALUE TO FHS	TAXPAYER RECLAIM	COST TO DONORS
UK highest rate taxpayer (45%)	£250,000	£62,500	£312,500	£78,125	£171,875
	£100,000	£25,000	£25,000	£31,250	£68,750
UK higher rate taxpayer (40%)	£50,000	£12,500	£62,500	£12,500	£37,500
	£10,000	£2,500	£12,500	£2,500	£7,500
UK basic rate taxpayer (20%)	£1,000	£250	£1,250	-	£1,000
	£100	£25	£125	-	£100

To make a Gift Aid donation, you must pay as much Income Tax and/or Capital Gains Tax as the amount reclaimed by Francis Holland Schools. This is currently 25 pence per pound donated. Higher-rate tax payers who donate through Gift Aid may claim extra relief by claiming the difference between the higher rate of tax (40% and/or 45%) and the basic 20% rate of tax on the total gross value of the donation.

Marking the year of our founding, The 1878 Circle is a unique opportunity to join fellow supporters who are committed to widening access to the School.

An annual donation of £1,878 will be pivotal in supporting our ambitious new bursary programme.

For every individual who joins, donating £1,878 per month (or for every ten people who join paying £187.80 per month), we will be able to fund one annual bursary (with Gift Aid). In recognition of your support, and as a member of The 1878 Circle, you will be invited annually to two 1878 Circle receptions and other events.

For more information about joining, please contact development@fhs-nw1.org.uk

“My confidence grew drastically during my time at Francis Holland. I don't think I would be where I am today without the School and the bursary support I received.”
