Royal Grammar School

## Our round-up of top swimming facilities making a splash.

There are selected private schools in the UK that are lucky enough to have fantastic swimming facilities within their campus. Many of these schools with pools have olympic grade facilities and even host specialist water sports like water polo and diving. Here's our pick of some of the best.

## Top Schools with Pools in The UK

### Francis Holland School Regent's Park, London

- The original swimming pool was opened by Polished Corner (member of the FHS Alumni Community) Dame Joan Collins in 1996.
- Refurbished, state-of-the-art swimming pool was opened by Olympic swimmer Mark Foster in 2016.
- New pool was built in celebration of the School's 100<sup>th</sup> anniversary on Ivor Place site.
- Features an adjustable floor, enabling the pool to be deep enough for sports such as diving and water polo and shallow enough for swimming lessons and training.
- Regular internal and external swimming galas and water polo matches take place in the pool.
- FHS PE teachers offer onsite swimming lessons to St George's Primary School, Hanover Square, and other local children's swimming clubs such as Swimmer's Corner use the pool at weekends.
