PROMOTIONAL FEATURE

INSPIRATIONAL

The Women of Influence lecture series, initiated by the headteacher, Mr Fillingham, is now an established part of school life at Francis Holland, Regent's Park.

The programme invites eminent women from a wide range of backgrounds to share their experiences with pupils of all ages. Guests include journalists, politicians, economists, authors and medical professionals.

"These are inspirational women who have a wealth of experience to share and we are delighted they have joined our programme," said Mr Fillingham.

Coupled with the recent Entrepreneurship Fortnight, these speakers provide the girls with invaluable knowledge and business skills to help them at school and also in developing their careers in later life.

Francis Holland believes in developing initiative and leadership skills to prepare girls for their future lives at the same time as achieving academic success. Pupils in 2016 achieved excellent A-level results, with 89.1 per cent A*-B and 56.3 per cent A*-A grades.

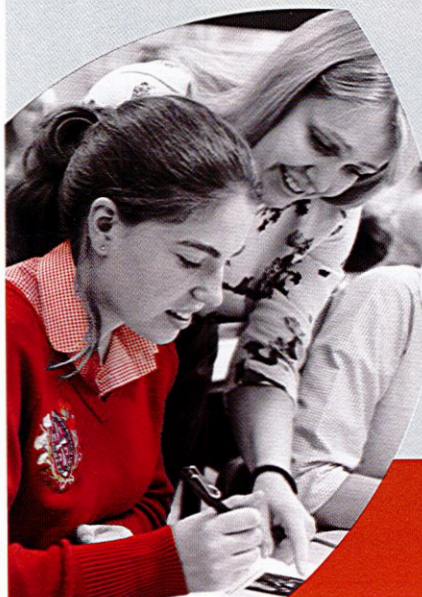

Five students gained straight A*s in their A-levels and are now studying at Oxford and Cambridge, and other top universities. Visit fhs-nw1.org.uk, facebook.com/FHSRegentsPark or Twitter @FHSRegentsPark
